

THE OLIVE CAMPAIGN

The traditional olive grove is a major part of the landscape of the Nordeste Transmontano, especially the Arribas do Douro (Douro Cliffs). In this part of the country, with unique natural features, this magnificent “nectar” is produced and used in the most delicious dishes of Mirandese gastronomy. But to taste the olive oil, you have first to harvest the fruit – the olive.

PROGRAM OF ACTIVITIES:

1st day:

- Olive harvest;
- Workshop of preparation to preserve olives.

2nd day:

- Cruise in the Douro River;
